

## 2025 HEB YOUTH IN GOVERNMENT GRADUATES

Congratulations to the 2025 HEB Youth in Government graduating class and scholarship winners!

The 18 students who participated in the program this year gained a better understanding of the impact local government has on the community while building relationships with each other and city staff and officials. It was a great program this year, and we are grateful for the partnership between the cities of Hurst, Euless, and Bedford and the HEB Chamber of Commerce to offer this opportunity to local high school juniors and seniors. We also appreciate Republic Services for graciously providing the college scholarships each year!

Information on the 2026 HEB Youth in Government program will be available later this year on the HEB Chamber's website, [heb.org](http://heb.org).

## FAMILY FIELD DAY

Saturday, June 14

Chisholm Park

2200 Norwood Dr.

Hurst, TX 76054

Bring the whole family out to celebrate National Family Health and Fitness Day! We start with our 1-mile fun run followed by exhilarating family challenges! Groups of four are preferred for participation, but not required. This FREE event opens for **registration on May 5!** Visit us online at [hursttx.gov/recevents](http://hursttx.gov/recevents) to sign your family up for the fun!

## GOOD NEIGHBOR TIPS

Here are some ways we can continue to be good neighbors!

- Keep weeds and grass shorter than eight inches in height. This will help prevent overgrowth in our neighborhoods.
- Maintain your trash to prevent accumulation as this may become a fire hazard or become a menace to healthy, safety, or welfare.
- Regular maintenance for pools or other water receptacles so that it doesn't become a health concern for neighbors.
- Keep your property free of inoperative vehicles for more than 48 hours.

If you see something that needs to be addressed, you can submit a service request online at

[hursttx.gov/servicerequest](http://hursttx.gov/servicerequest).

We can't wait to see you at the pools this summer!

## WATER CONSERVATION

As summer approaches and temperatures increase, it's important that we continue to do our part to help conserve water. Now is a great time to brush up on the guidelines when it comes to irrigation or sprinkler systems:

- There is no watering with irrigation systems or sprinkler systems between 10 a.m. - 6 p.m.
- Although there are two allowable days, you don't have to water if your landscape does not need it.
- Watering by hand-held hose, drip irrigation or soaker hose is allowed at any time.
- No more than two hours per day maximum is encouraged.

Some great water conservation advice can be found at [waterisawesome.com](https://www.waterisawesome.com). We also have resources and details about your watering schedule available at [hursttx.gov/waterconservation](https://www.hursttx.gov/waterconservation).
