FREE LANDFILL DAY

August 9 | 7 a.m. - 2:30 p.m.
Arlington Landfill
800 Mosier Valley Rd.
Euless, TX 76040

The City of Hurst contracts with Republic Services to allow Hurst residents free access to the Arlington Landfill on the second Saturday of each month running through November. This access is granted to Hurst residents to dispose of any non-hazardous materials for free.

ACCEPTED ITEMS: Any non-hazardous bulk items such as scrap metal, loose brush, old fencing material or other debris (no commercial); electronic equipment recycling including computers, TVs, DVD players and cell phones.

NOT ACCEPTED ITEMS: Tires & explosives; construction materials, such as shingles and sheetrock; no more than six (6) fence panels will be accepted, unless a fence permit is shown for the address; brick and rock need to be containerized; compressed gas; pharmaceuticals or sharps.

Residents must present their current driver's license or photo identification AND current Hurst water bill. Service does not include the disposal of hazardous waste or non-compact-able waste. For more information, visit hursttx.gov/trash.

UPCOMING CITY COUNCIL MEETINGS

August 12 & 26
hursttx.gov/agendas

Hurst City Hall
1505 Precinct Line Rd.
Hurst, TX 76054
817-788-7000

FIGHT THE BITE

Mosquito season is upon us, and we're here to help you avoid those pesky bites! The best defense against mosquitoes is to practice the "Four Ds":

1. Use insect repellent containing DEET, picaridin or oil of lemon eucalyptus.
2. Dress in long sleeves and long pants when you are outside.
3. Stay indoors at dusk and dawn, when mosquitoes are most active.
4. Drain standing water where mosquitoes breed.

Common breeding sites include old tires, flowerpots and clogged rain gutters.

To learn about all the ways you can help with mosquito control, visit hursttx.gov/fightthebite.

KID'S TRIATHLON

September 20 | 7:30 a.m.

Chisholm Park

2200 Norwood Dr.

Hurst, TX 76054

A fun twist on the traditional triathlon allows kids ages 5-12 to complete a short run and bike course and cool off on a fun water slide. **Registration opens on August 4.**

For more information about this event, visit hursttx.gov/recevents.

WATER CONSERVATION

As temperatures rise, water conservation becomes even more important. Here are some tips to help with your water conservation efforts:

- Know when to water: every Monday
SaveTarrantWater.com provides weekly watering advice that takes weather conditions into account.
- Keeping your irrigation cycles short (6-8 min/cycle for spray heads; 12-14 min/cycle for rotors) will minimize runoff and water waste.

Remember the city guidelines:

1. No watering with irrigation or sprinkler systems between 10 a.m. - 6 p.m.
2. Watering by hand-held hose, drip irrigation, or soaker hose is allowed at any time.
3. No more than two hours per day maximum is encouraged.

For more information and resources, visit hursttx.gov/waterconservation.
