## LEMONADE DAY

May 9 | 11 a.m. - 3 p.m.

Help us empower today's youth to be tomorrow's entrepreneurs! Lemonade Day is a free, fun, experiential learning program that teaches youth how to start, own, and operate their own business - a lemonade stand.

Each child that registers receives access to the Lemonade Day curriculum that teaches them lessons like creating budgets, setting profit-making goals, serving customers, repaying investors, and giving back to the community. Along the way, they acquire skills in goal-setting, problem solving, and gain self-esteem which is critical for future success. They keep all the money they make and are encouraged to spend some, save some, and share some.

They can have a stand in their front yard or partner with a local business that has volunteered to be a "Sweet Spot Sponsor," elevating the visibility of the lemonade stand and the business owner. Visit [local.lemonadeday.org/hurst](http://local.lemonadeday.org/hurst) for more info.
