POLICE DEPARTMENT

MEDIA RELEASE

Date: May 10, 2013
Issued by: R. Winstanley, Assistant Chief
Time: 7:50 PM
Topic: Rabid Skunk

On May 9, 2013 around 10:00AM, Animal Services captured a skunk in the 100 block of East Pleasantview Drive, Hurst... The Texas Department of Health Services notified us that the skunk tested positive for rabies. This animal was not known to have been in contact with any humans or other animals.

Residents in the immediate area are advised to check that their pets' rabies vaccination is current. Report any animal exhibiting signs of behavior inconsistent with their normal behavior or any nocturnal wildlife active during the day is suspect to the Police Department at 817.788.7180 or Animal Services at, 817.788.7216 during scheduled hours of operation.
