Hurst Structure Fire

Hurst, Texas (April 4, 2016) – The Hurst Fire Department responded to a structure fire this morning at 2:38 a.m. in the 600 block of Timberline Drive. The fire involved four units of a quadplex. Two residents were evacuated from an upstairs balcony prior to officials arriving on scene. All other residents were evacuated by Hurst PD. The incident was placed under control in under twenty minutes and two residents were transported to a local hospital for smoke inhalation. The Red Cross is currently on scene working with all displaced residents. The cause of the fire is under investigation. Hurst was assisted by units from Bedford, Colleyville, Euless, North Richland Hills and Haltom City. For further information contact the Hurst Fire Department at 817-788-7238.
