On Sunday, May 26, 2019, at approximately 04:55 hours, the Hurst Police responded to a major crash in the 700 block of West Hurst Blvd. Upon arrival, officers found a vehicle had struck a tree head-on and a citizen had pulled the driver out of the vehicle. The driver was unresponsive and pronounced deceased at 05:30 hours by Hurst Medics.

It was determined the deceased driver's vehicle had struck the passenger side of another vehicle, while traveling westbound, lost control, and veered into oncoming traffic. After crossing traffic, the vehicle struck a large tree on the eastbound side of the roadway. The second vehicle stopped and is cooperating with investigating officers.

Further investigation will be completed by the Hurst CRASH unit.
