OUR COMMUNITY

Business & Health Expo

March 26

Hurst Senior Activities Center
700 Heritage Circle | 10 a.m.-1 p.m.

The Hurst Senior Activities Center is pleased to host this annual Business and Health Expo event for the senior adult community. Stop by and connect with local businesses and service providers to get the resources you need! There is no registration required, and this event is open to the public.

Leave Your HeART on Hurst

Calling all artists to join the Utility Box Art Project

The City of Hurst is thrilled to announce phase three of the Utility Box Art Project. This year's theme, "Pets and Wildlife of Hurst," celebrates the furry, feathered, and wild residents that make our city special. From playful pups to majestic owls, artists have the chance to bring the beauty and charm of Hurst's animal life to our streets!

We're looking for bold, colorful designs that capture the joy of pets, the wonder of local wildlife, or the

unique connection between humans and animals. Selected artists will not only transform utility boxes into eye-catching works of art but also earn a \$250 stipend for their creations.

Whether you're a seasoned pro or just starting out, we want to see your ideas! Submissions are open to all DFW artists, with special consideration for Hurst residents. **The deadline is midnight on April 1, 2025** — don't miss this chance to leave your mark on Hurst.

Visit [hursttx.gov/utilityboxartproject](https://www.hursttx.gov/utilityboxartproject)
for all the details.

Think before you flush! Keep Wipes Out of Pipes!

The City of Hurst needs your help! Did you know that “flushable wipes” and other trash flushed down the toilet are one of the leading causes of sewer backups in our community?

Even if the wipes package says “flushable,” they should never be flushed. Just a small amount of household trash flushed down the toilet can clog pipes.

Items like wipes and paper towels do not dissolve when flushed down the toilet and will clog sewer pipes and pumping equipment. Pressure from blockages in the sewer system can cause backups into homes and businesses and overflow onto streets and into creeks through nearby manholes.

We care about your health and the health of the environment. Your actions make a difference! Please help us protect you, your family, and our community. You can help prevent costly plumbing repairs and higher utility rates!

Please report any and all immediate wastewater, water, traffic, or street problems to our 24/7 Public Works Dispatch at 817-788-7212.

Prepare for Texas Weather

Texas weather is unpredictable. Know what to do when severe weather occurs, including severe flooding.

Visit hursttx.gov/floodplains
for ways to prepare before a flood occurs
and what to do during and after one.

BE PREPARED FOR A THUNDERSTORM, LIGHTNING, OR HAIL

Lightning is a leading cause of injury and death from weather-related hazards.

Thunderstorms are dangerous storms that include lightning.

Include powerful winds

Create lightning and hail

Cause flash flooding and tornadoes

IF YOU ARE UNDER A THUNDERSTORM WARNING, FIND SAFE SHELTER RIGHT AWAY

When thunder roars, go indoors.

Pay attention to alerts and warnings.

Move from outdoors into a building or car.

Unplug appliances.

Do not use landline phones.

Lemonade DAY

May 10 | 11 a.m.-3 p.m.

Help us empower today's youth to be tomorrow's entrepreneurs!

Lemonade Day is a free, fun, experiential learning program that teaches youth how to start, own, and operate their own business – a lemonade stand.

Each child that registers receives access to the Lemonade Day curriculum that teaches them lessons like creating budgets, setting profit-making goals, serving customers, repaying investors, and giving back to the community. Along the way, they acquire skills

in goal-setting, problem solving, and gain self-esteem which is critical for future success. They keep all the money they make and are encouraged to spend some, save some, and share some.

They can have a stand in their front yard or partner with a local business that has volunteered to be a "Sweet Spot Sponsor," elevating the visibility of the lemonade stand and the business owner.

Visit hursttx.gov
as the event gets closer.

Household Hazardous Waste Collection and Document Shredding

April 12

Hurst Service Center

2001 Precinct Line Road | 8-11 a.m.

It's important to properly dispose of hazardous waste to protect the environment and ensure our community's safety. On October 12, you can bring your hazardous waste for collection. Please bring an ID and a Hurst utility bill.

Accepted items: automotive fluids (10-gallon limit), batteries, cleaners & degreasers, cooking oil, lawn/garden/pool chemicals, light bulbs, and paint (limited to three five-gallon containers)

Not accepted: ammunition or explosives, appliances or electronics, building materials, bulk trash and yard waste, butane or propane cylinders, medicines or sharps, and tires

Document shredding will also be available as a way to help our community members prevent identity theft and protect personal information. Three (3) box limit, no larger than 15" x 12" x 10", accepted—limited space. First come, first served.

6 Stones will be on-site collecting clothing donations from Hurst residents.

Concern for proper disposal of Household Hazardous Waste and other potential surface water pollutants is a concern to all. Should you become aware of any improper disposal of any stormwater or surface water pollutant, call the City's hotline at 817-788-7212.

Visit hursttx.gov/stormwatermanagement
for information on stormwater management

DIY Rainwater Harvesting Workshop

April 12

Hurst Public Library | 901 Precinct Line Rd. | 10 a.m.-Noon

Capture water while it rains this spring to use on your landscape later! Join our workshop to learn how, then build your own rain barrel to take home for only \$25.

Rainwater harvesting is great for North Texas because you can keep some of the rain we get during the spring and fall to use during our hot and dry summers. Even a small roof area can produce a usable amount of water during an average rainfall. From huge cisterns to small DIY barrels, capturing rainwater can be done by anyone. Attend this workshop to learn the ins and outs of rainwater harvesting and purchase a discounted barrel to take home!

Learn about:

- How much water your roof will produce in a year
- Where to put your rain barrel to capture the most water
- How to install a barrel
- How to hook up and use your new water source
- How to build your own 50-gallon rain barrel with just a few supplies from the hardware store

Registration and pre-payment are required for attendance. More than one person from your household can come to the workshop with the purchase of one barrel/ticket, but only one barrel/ticket per household, please. This workshop is in-person and includes a class about rainwater harvesting basics and a demonstration on how to build a barrel. After the class portion, you will get to build your own rain barrel to take home. This is an educational opportunity, and class attendance is required to get a barrel.

The workshop will be taught by Tarrant County Master Gardeners.

Register at <https://hurstdiyrwh.eventbrite.com>.

FIGHT THE BITE

Mosquito Control Management

Controlling mosquito populations and reducing the risk for West Nile virus, Zika virus, and Chikungunya viruses must be done on several fronts – education and prevention are at the forefront of those efforts.

Simple steps to eliminate potential mosquito breeding sites around your home

- Do not allow water to accumulate in the saucers of flowerpots, cemetery urns, or in pet dishes for more than two days.
- Get rid of tin cans, old tires, buckets, unused plastic swimming pools, or other containers that collect and hold water.
- Clean debris from rain gutters, remove standing water from flat roofs, and repair leaks around faucets and air conditioners.

- Change the water in birdbaths and wading pools at least once a week.
- Fill or drain puddles, ditches and swampy areas. Check for trapped water in plastic or canvas tarps used to cover boats or pools, and arrange the tarp to drain the water.

How to reduce risk of getting West Nile Virus:

- Apply insect repellent that contains DEET, picaridin, or oil of lemon eucalyptus.
- Dress in long sleeves and long pants when outside.
- Stay indoors at dusk and dawn, when mosquitoes are most active.
- Drain standing water where mosquitoes breed; old tires, flowerpots, and clogged rain gutters.

Graduates of the Citizens Police Academy and members of the Hurst Police Department.

Citizens Police Academy begins in March

The next Citizens Police Academy (CPA) is scheduled to begin on March 27, 2025. The Hurst Police Department sponsors the CPA to educate residents of Hurst on the “Hows and Whys” of the Hurst Police Department and its operations. This is accomplished through a series of lectures and hands-on activities on Thursday evenings from 6-9 p.m. through May 29, 2025. The CPA classes are held at the Hurst Justice Center, located at 825 Thousand Oaks.

Each applicant must be at least 21 years of age, live, work, or attend a church in the City of Hurst, and successfully pass a background investigation. Applications must be turned in no later than Friday, March 21, 2025, by 5 p.m. To successfully graduate, each participant is required to attend at least eight of the 10 sessions.

For questions, contact Bobbi Parker at 817-788-7342.

**Visit hursttx.gov/cpa
to apply to attend.**

Former Councilmember Nancy Welton rappels down Fire Station 1 as part of the Hurst Citizens Fire Academy.

HURST CITIZENS FIRE ACADEMY

10-week class offers residents firsthand experience in firefighting tactics

Classes run April 7-June 16

The 2025 Hurst Citizens Fire Academy is happening soon! This ten-week class gives our residents the opportunity to see firsthand what duties and responsibilities firefighters have. You will learn about the organization and operation of the Hurst Fire Department, fire prevention, disaster preparedness, emergency medical service, arson investigation, firefighting tactics, and much more.

Members of the Hurst Fire Department with various skills, experience, and training will provide the instruction. Residents will have the opportunity to ask questions, discuss issues, and learn many of the responsibilities firefighters have as a daily part of their job. A graduation ceremony will be held on Monday, June 23, for the class graduates.

Visit [hursttx.gov/cfa](https://www.hursttx.gov/cfa)
to apply online starting March 1.

Members of the Hurst Police Department recognized with the Team Hurst award.

City of Hurst recognizes outstanding public service with 2024 awards

The City of Hurst is proud to announce the recipients of the 2024 service awards, honoring the dedication and hard work of individuals and teams who have made significant contributions to the City's growth and public safety.

The Team Hurst Award celebrates approximately 40 individuals from various departments, including the Fire Department, Police Department, Municipal Court, Information Technology, and Fleet Services. These teams have demonstrated exceptional teamwork in important projects like upgrading the City's radio and operating systems, regionalizing jail services, and supporting the City of Euless' municipal court as they enhance their facilities. Public safety has been identified as the top strategic priority by residents and business owners in recent surveys, and these award recipients have directly contributed to improving these services, making Hurst a safer place for all.

Employee of the Year, Paul Conca (left), and City Manager Clay Caruthers (right).

Hurst Way Award recipients Parker Paris, Paul Brown, and Chris Connolly.

Team Hurst Fleet Services

Team Hurst Information Technology

Team Hurst Municipal Court

Team Hurst Fire

The Hurst Way Award honors three individuals who have consistently embodied the City’s core values of public service, excellence, and financial sustainability. This year’s recipients are Paul Brown, Managing Director of Finance & Accounting; Parker Paris, Water Production Crew Leader; and Chris Connolly, Executive Director of Economic Development & Tourism.

Paul Brown’s leadership in upgrading our financial system and securing a bond rating enhancement has been invaluable. Parker Paris has spearheaded initiatives that are significantly reducing costs for mandated Commercial Drivers License training. Chris Connolly consistently champions business finance efficiency and led efforts to cut energy costs at the Hurst Conference Center.

Finally, the Employee of the Year Award goes to Paul Conca, Parks Superintendent. Paul’s professionalism, integrity, and unwavering commitment to excellence set him apart. His ability to uphold the values of our organization, even when circumstances are difficult, is a testament to his exceptional character. Paul’s dedication to the City of Hurst Code of Ideals and his continuous drive to do the right thing, no matter the situation, have made a lasting impact on our team and the community.

Please join us in congratulating all the award recipients for their exceptional service and unwavering dedication to making Hurst a better place for everyone.

A. HOLMES
ART STUDIO
4/100
#WingsAcrossTheWorld
@aholmesartstudio

Artist, Andrea Holmes, stands in front of her mural on the side of Café Medi in Hurst. The mural is a part of *Wings Across America*, a mural initiative led by Holmes as a part of *Wings Across the World*.

A mural on the side of Café Medi by artist Andrea Holmes is a part of the Wings Across America project.

Wings Across America

Hurst fourth in Texas to host mural as part of a world-wide initiative to celebrate birds

Last fall, Hurst was invited to take part in the *Wings Across America* project, a stunning mural initiative led by artist Andrea Holmes. As part of the larger *Wings Across the World* series, this project aims to celebrate the beauty of iconic birds through large-scale murals, with a goal of creating 100 murals worldwide. The journey begins in Texas, with 10 murals across the state, followed by one in each of the 49 other states, and 41 additional murals around the globe.

Hurst proudly became the fourth city in Texas to host a *Wings Across the World* mural, with Dallas set to follow. Holmes seeks out prominent, high-visibility locations for each mural—spaces that encourage community engagement and serve

as a living canvas for public art. When she spotted the large exterior wall of Café Medi at 420 Grapevine Hwy, she knew it was the perfect backdrop.

Holmes reached out to Jeff Brand, owner of Woodbridge Plaza Shopping Center, who was eager to bring the mural to life but faced funding limitations. That's when the City of Hurst stepped in. After reviewing funding options, it was determined that the City's Hotel/Motel Tax could supplement private funding for the project. The owner contributed \$6,000 to the project, while the City contributed \$10,000. According to the Texas Tax Code, Hotel/Motel Tax dollars may be allocated to support the arts, including painting

and architectural enhancements—making the mural a perfect fit.

Despite challenges like unpredictable weather and dodging drive-thru traffic, Holmes brought her vision to life. The chosen bird species for Hurst's mural? The barn swallow—a symbol of hope, family, and home. In many cultures, a barn swallow nesting on a property is considered a sign of good fortune, making it a fitting emblem for our community.

This mural not only adds to the visual vibrancy of Hurst but also reflects our city's commitment to fostering art, connection, and community pride. Next time you're near Café Medi, take a moment to appreciate this incredible work of art—and the meaning behind it.

WATER METER REPLACEMENT PROJECT

The City of Hurst is modernizing its water metering system. Since October 2024, City contractors, Ameresco and their subcontractor, Second Sight Systems, have been evaluating pipe material at the water meter to meet the Environmental Protection Agency (EPA) Lead & Copper requirements. This is the first phase of our water meter replacement project, estimated to complete by March 2025.

The second phase of the water meter replacement project is estimated to begin in April 2025. Also in partnership with Ameresco and Second Sight Systems, new Advanced Metering Infrastructure (AMI) water meters will be installed for all utility customers. This upgrade will provide you with more detailed insights into your water usage, helping you track consumption and manage your monthly bill more effectively.

Over the next year, installation teams will systematically replace all residential and commercial water meters. Before installation begins in your area, you'll receive detailed information in the mail.

- Work will take place Monday through Friday, from 7 a.m. to 7 p.m., with occasional Saturday installations if needed.
- Ameresco and Second Sight Systems staff will wear uniforms and drive vehicles with their company logos.

- A team member will knock on your door before beginning installation. If you're home, they'll explain the process and ask you to refrain from using water for about 30 minutes. If you're not home, they'll check to ensure water isn't in use before proceeding.

Important Notes:

- Contractors will never enter your home.
- If supplies are limited, the new meter box may be installed first, with the AMI meter added later.
- Contractors will be properly identified with either the "Ameresco" or "Second Sight Systems" logos on their vehicles and uniforms.
- A customer portal will be available later on in the project.

More information on the water meter replacement project is available at hursttx.gov/AMI. If you have any questions, call the City of Hurst's Utility Billing Department at 817-788-7040.

Thank you for your cooperation and support as we enhance our water metering system to serve you better!

@HurstPublicLibrary
hursttx.gov/library

Mini Gardens

WHEN

6:00-7:30 p.m. | Thursday, March 27

WHERE

Hurst Public Library | Program Rooms North and South

Celebrate spring and cultivate your creativity by making a mini garden! Create a tiny habitat for a miniature gnome or animal figurine. Caregivers will need to assist younger participants. All supplies will be provided. Sign up at hursttx.gov/hplsignup or contact the Library to reserve your spot.

I Give a Scrap Craft Supply Swap

WHEN

10:30 a.m.-Noon | Saturday, March 29

WHERE

Hurst Public Library | Program Rooms North and South

Clean out your closets and bring in your leftover arts and crafts supplies to trade for new supplies!

All the supplies will be laid out on tables to trade with other crafters. There will be a free section that anyone can contribute to and take from. This swap is a great way to clean house, meet like-minded individuals, and get new-to-you supplies! Things to share: gently used pens, markers, paper, yarn, fabric, clay, scrap-booking supplies, stamps, or any other art supplies people may be interested in.

Family Fun Night: Teddy Bear Picnic

WHEN

6:30-7:30 p.m. | Tuesday, April 1

WHERE

Hurst Public Library | Library Park

Bring a blanket and your favorite stuffed animal for tasty snacks, a craft, and a BEAR-y fun time for the whole family!

LIBRARY

Story Laboratory: Thinking Money for Kids!

WHEN

6:30-7:30 p.m. | 2nd Tuesdays in April and May

WHERE

Hurst Public Library | Program Room East

Looking for a way to entertain the kids while building their money skills and teaching financial literacy? Then stop by Story Laboratory: Thinking Money for Kids for stories, games, and more. Thinking Money for Kids is an initiative of the American Library Association and the FINRA Investor Education Foundation.

Bad Art Night: Artist Trading Cards

WHEN

6:00-7:30 p.m. | Thursday, April 10

WHERE

Hurst Public Library | Program Rooms North and South

Join us for a night of intentionally bad art in a small, sharable format! Prizes will be awarded for The Good, The Bad, and The Ugly. Then sign your name, exchange your art, and start your Artist Trading Card collection!

Late Night at the Library

WHEN

6:30 p.m. | Friday, May 16

WHERE

Hurst Public Library

Save the date for the next Late Night at the Library! Check the Library's calendar for more information.

HEB Reads! Summer Kick-off

WHEN

10:00 a.m.-1 p.m. | Saturday, May 17

WHERE

Pennington Field | 1501 Central Drive in Bedford

Get ready to color your summer as we kick off the HEB Reads! Summer Reading Challenge. Join us for free books, games, entertainment, and activities for all ages.

Summer Reading Challenge Opening Party featuring The Wanda King Band

WHEN

6:00-8:00 p.m. | Thursday, May 29

WHERE

Hurst Public Library | Library Park

Color your summer, Color Our World with snow-cones, lawn games, and crafts for the whole family at 6:00 p.m. in the Library Park, followed by soulful tunes of the Wanda King Band at 7:00 p.m. Don't forget your lawn chairs or blankets! In the event of inclement weather, the concert will be held in Library Program Rooms North and South. The Hurst Public Library and Arts Council Northeast are proud to partner to bring you this year's MasterWorks concert series!

PARKS & RECREATION
