OUR COMMUNITY

CodeRED Emergency Notification System

The City of Hurst uses the CodeRED Emergency Notification System to notify the entire city or only the affected areas, via telephone or cell phone, about emergency situations in a matter of minutes. The system is available to all Hurst residents free of charge. These phone calls will begin with “This is a CodeRED Emergency message from The City of Hurst.”

In what case would I receive a CodeRED message?

- Warning of significant weather
- Homeland Security-related emergencies
- Hazardous material emergencies
- Drinking water contamination
- Other emergency situations where rapid and accurate notification is essential for life safety
- Missing persons report

What should I do if I receive a CodeRED message?

Listen to the entire message carefully, and follow the instructions. DO NOT call 9-1-1 unless instructed to do so.

[Visit hursttx.gov/CodeRED](https://hursttx.gov/CodeRED)
to sign up

FLOOD SAFETY TIPS

Texas weather is unpredictable. Know what to do when severe weather occurs, including severe flooding. Here are ways to prepare before a flood occurs and what to do during one.

Before the Flood

1. Check with the Engineering Department (817.788.7080) on the extent of past flooding in your area.

- City staff can tell you about the causes of repetitive flooding, what the city is doing about it and what would be an appropriate flood protection level. They can also visit your property to discuss flood protection alternatives.

2. Prepare for flooding by doing the following:

- Know how to shut off the electricity and gas to your house when a flood comes.
- Make a list of emergency numbers and identify a safe place to go.
- Make a household inventory and put insurance policies, valuable papers, medicine, etc. in a safe place.
- Report blockages in creeks, culverts, drainage ditches and storm drain inlets by calling Public Works at 817-788-7076.
- Develop a response plan—consult the American Red Cross website for information on creating an emergency preparedness plan.
- The American Red Cross has also published the brochure *Repairing Your Flooded Home*, which provides information on planning and preparing for a flood event as well as repairing after a flood event.

3. Consider some permanent flood protection measures.

- Mark your fuse box to show the circuits to the floodable areas. Turning off the power to these floodable areas can reduce property damage and save lives.
- Consider flood protection alternatives such as flood walls or berms. Note that some flood protection measures may require permits. Please check with the Engineering Division and/or Building Inspections for more information.
- A copy of *Homeowner's Guide to Retrofitting: Six Ways to Protect Your House from Flooding* are available at no charge to download from FEMA.

4. Talk to the Engineering Division for information on financial assistance.

- If you are interested in obtaining more information on what you can do to prevent flood damage, or what funds may be available to assist you with mitigating flood damage to your property, contact the Engineering Division at 817.788.7080.
- Get a flood insurance policy—it will help pay for repairs after a flood and, in some cases, it will help pay the costs of elevating a substantially damaged building.

5. Get a flood insurance policy.

- Typically, homeowner's insurance policies do not cover damage from floods. However, some owners have purchased flood insurance because it was required by the bank when they received a mortgage or home improvement loan.
- Don't wait until the next flood to buy flood insurance protection. In most cases, there is a 30-day waiting period before the National Flood Insurance Program coverage takes effect.
- Contact your insurance agent for more information on rates and coverage.

During and After the Flood

1. Check with the Engineering Department (817.788.7080) on the extent of past flooding in your area.

- Do not wade through floodwaters due to the danger of pollutants, debris (nails, glass, etc) and animals (snakes, ants, etc.). Floodwaters are often murky and depth is hard to determine.
- Do not drive through floodwaters! Turn around, don't drown! If emergency evacuation is necessary, please heed the warnings of the emergency management and follow the instructions to evacuate—it saves lives of those around you and possibly of the emergency workers responding.
- Ask for a licensed electrician, plumber etc. to check or turn on your power, water, and/or gas.

The City of Hurst Public Works Department is a member of the Community Rating System through the National Flood Insurance Program. This information is provided as a resource for residents.

Total Solar Eclipse Extravaganza

April 8

Hurst Community Park | 601 Precinct Line Rd. | 12:30-2:30 p.m.

Are you ready for the total solar eclipse? Join us at Hurst Community Park for food trucks, crafts, activities, and a range of eclipse viewing options, including free eclipse glasses (first come, first served). When the eclipse reaches maximum totality at 1:40 p.m., it will look and feel like twilight for almost three minutes! The last time Texas was in the path of totality for a total solar eclipse was in 1397. Don't miss this once-in-a-lifetime event, hosted by the Hurst Public Library!

Event partners: Hurst Parks and Recreation, NASA@ My Library, Fort Worth Museum of Science and History, and The Franklin Institute.

Discover Nature's Wonders: The City of Hurst's Arbor Adventure

April 27

Hurst Central Park | 521 Elm St. | 9-11 a.m.

This fun event is for families who want to learn about nature together. We'll have activities to teach you about trees, bugs like earthworms and bees, and how important they are for our environment.

Before the event begins, volunteer your time to help clean-up the park of any trash between 8-9 a.m. to show care for our city parks.

Activities include:

- Get your own tree to take home with planting instructions
- Take home milkweed seeds to help butterflies and bees
- Watch new trees take root as they are planted around the park
- Experience the importance of earthworms to our soil
- Explore the park and enjoy snacks

Arbor Adventure isn't just one day of fun—it's also a way for our community to come together to help the environment. By planting trees and giving out seeds, we're making our city healthier and happier for everyone. Come be a part of the fun and help us make a difference!

Small Business Spotlight

Shining a light on the variety of small businesses in our city

The City of Hurst's economic development division has been showcasing local small businesses through videos to provide the community with a comprehensive view of what there is to offer within the city limits. From neighborhood game stores and fabric shops to woodworking businesses and sustainability focused storefronts—there's something for everyone.

By shopping at small, independent businesses, you can:

- Support the local economy and your community
- Purchase unique products
- Receive high quality service
- Foster a sense of community pride

Help us celebrate the entrepreneurial spirit that makes Hurst a unique and vibrant place to live. You might just find your new favorite spot around the corner.

New Recurring Monthly Programs for Adults!

Puzzlers

When

10:00 a.m.-Noon | First Saturdays, beginning April 6

Where

Hurst Public Library | Learning Center

Are puzzles your path to inner “piece”? Then, join us on the path to enlightenment! We will provide a jigsaw puzzle as well as some other puzzles and brain teasers that you can work on during your time together or take home to enjoy. All ages are welcome!

Fellowship of the Crafters

When

6:00-7:45 p.m. | Fourth Tuesdays, beginning April 23

Where

Hurst Public Library | Reading Alcove

Each crafting project is its own epic journey, but you don't have to craft alone. Join the Fellowship of the Crafters with your current work in progress, regardless of the medium. We provide the chat and snacks, and you provide the craft!

★ Save the Date!

HEB Reads—Adventure Begins at Your Library Summer Reading Club 2024: May 1-July 31

This summer, have a grand adventure at Hurst Public Library by joining the Summer Reading Club. Registration begins May 11 online or at the HEB Reads kick-off event. Once registered, rack up your reading minutes through July 31. Special weekly programs and prize distribution start the first week of June. Come to the Library to register or register online at hursttx.gov/library.

HEB Reads Kick-Off Event

When
10:00 a.m.-1:00 p.m. | May 11

Where
Pennington Field | 1501 Central Dr., Bedford

Get registered for Summer Reading Club at this FUN, FREE kick-off event! You'll find games, STEM activities, and free giveaways the whole family will love. Student enrollment in HEB ISD is not required to participate. We can't wait to see you there!

MasterWorks Concert Series

When
7:00 p.m. | May 16 | Inspiration Band
7:00 p.m. | June 6 | Escape: A Journey Tribute Band

Where
Library Park | Rain out location is Library Program Rooms North and South

Save these dates for upcoming MasterWorks concerts
July 25 | September 26 | December 14 | December 19

The Hurst Public Library and Arts Council Northeast are proud to partner to bring you this year's MasterWorks Concert Series! Join us in Library Park for a night of music, along with games, crafts, and snacks for the whole family. Bring your own chairs or blankets for lawn seating.

BE PREPARED FOR A THUNDERSTORM, LIGHTNING, OR HAIL

Lightning is a leading cause of injury and death from weather-related hazards.

FEMA

FEMA V-1009/May 2018

Thunderstorms are dangerous storms that include lightning.

Include powerful winds

Create lightning and hail

Cause flash flooding and tornadoes

IF YOU ARE UNDER A THUNDERSTORM WARNING, FIND SAFE SHELTER RIGHT AWAY

When thunder roars, go indoors.

Pay attention to alerts and warnings.

Move from outdoors into a building or car.

Unplug appliances.

Do not use landline phones.

Good Neighbor Tips
hursttx.gov/gnp

Property pride fosters sustainable community all can enjoy

Ensuring your property is well-taken care of is a major task for a property owner. At the City of Hurst, our goal is to be a helpful resource for you and your neighborhood. We are all about keeping our city clean and safe while creating a sustainable community for an enhanced quality of life for residents.

Here are some tips to help maintain your property and be a good neighbor:

- Keep weeds and grass shorter than eight inches in height. This will help prevent overgrowth in our neighborhoods.
- Maintain your garbage to prevent accumulation as this may become a fire hazard or become a menace to health, safety, or welfare. Do you have an excessive amount of garbage? Haul your garbage to one of our free landfill days happening the second Saturday of the month February through November from 7 a.m.-2:30 p.m. You can take your non-hazardous items to Republic Service's Arlington Landfill for FREE! For more information, visit hursttx.gov/trash.
- Keeping your buildings and grounds in a clean and

safe condition prevents declining property value. This includes keeping exteriors in good repair.

- Follow the regularly scheduled trash and recycling pickup times for your neighborhood. Trash and recycling should be placed in the prescribed locations no later than 7 a.m. on the day of scheduled collection.
- Regular maintenance for pools or other water receptacles is necessary so that it doesn't become a health concern for neighbors.
- Keep your property free of inoperative vehicles. They become an issue if they are on the property for more than 48 hours.

Property Pride

If you notice your neighbor going the extra yard to spruce up their property, nominate them for our Property Pride Award! We are all about recognizing citizen's hard work and we want everyone to feel inspired by their property pride! You can recognize homeowners in Hurst for taking extra special care of their properties including painting, landscaping, and more.

Visit hursttx.gov/propertypride
for more information and to fill out the online submission form

Garbage & Recycling Reminders

Make sure your trash and recycling materials are placed at your curb by 7 a.m. on your scheduled pick-up days. Garbage can be placed in a trash bag or contained in a trash can. The total weight of garbage and container cannot exceed 50 pounds. To help avoid causing litter, make sure your garbage and recycling are placed in a container with a secure lid to prevent trash from blowing out.

Republic Services' collection hours are between 7 a.m. and 7 p.m. This means your trash pick-up is not considered "missed" for the day until after 7 p.m. Sometimes crews are running behind because of larger than usual trash set-outs, routes running in a different order, employee shortages, or a new driver learning a route. If your trash hasn't been picked up by 7 p.m., submit a service request through the Hurst Where We Live mobile app or on our website

at hursttx.gov/servicerequest. You can also contact us the following morning at 817-788-7000, and we will work with Republic to send a crew back to your area.

Bulky objects for garbage collection can be placed with regular garbage on your normal pickup day. Bulky items include furniture, bedsprings, televisions, washer/dryer, etc. Tree limbs and brush must be bundled, no longer than four feet in length, and not to exceed 50 pounds. Special pickup for loose brush can be arranged by calling Republic Services at 817-332-7301.

Visit hursttx.gov/trash
for more about garbage and recycling in Hurst

DIY Rain Harvesting Workshop

April 6

Hurst Public Library | 901 Precinct Line Rd. | 10 a.m.

Capture water while it rains this spring to use on your landscape later! Join our workshop to learn how, then build your own rain barrel to take home for only \$45. Register here: rwhurst.eventbrite.com

Learn about:

- How much water your roof will produce in a year
- Where to put your rain barrel to capture the most water
- How to install a barrel
- How to hook up and use your new water source
- How to build your own 50-gallon rain barrel with just a few supplies from the hardware store

Registration is required for attendance. More than one person from your household can come to the workshop with the purchase of one barrel/ticket, but only one barrel/ticket per household, please.

The workshop will be taught by Tarrant County Master Gardeners.

Hurst Happenings E-Newsletter

Our email notification system is one of the best ways we can get information directly to you, keeping you in the know about City of Hurst news and events. When you register, you will be introduced to a list of topics. Select one or select them all!

Once you are subscribed to receive emails from the City of Hurst, you will also receive our Hurst

Happenings e-newsletter. This e-newsletter is delivered bi-weekly, in front of each council meeting, so you're always in the know about our council meeting dates. We also utilize this tool to communicate critical information when the need arises.

Register your email address, select your topics, and get connected with us!

Hurst Unveils

Vibrant Artwork

Artists pose with their designs as a part of the Hurst Utility Box Art Project.

In September 2023, the City Council and Hurst Community Arts & Historic Landmark Preservation Committee selected ten talented artists for phase two of the Utility Box Art Project. In celebration of Hurst’s rich history and vibrant culture, the phase two theme was “The Building Blocks of Hurst.”

Building blocks of Hurst come alive through creative canvases

Artists were challenged to encapsulate the essence of the community’s evolution through time. The artists embraced the theme wholeheartedly, each contributing their interpretation of the building blocks that have shaped Hurst into the thriving city it is today. The designs highlight the contributions of individuals, organizations, industries, and the educational systems that have shaped Hurst’s history.

These once-ordinary utility boxes have been transformed into colorful canvases that radiate unmistakable “Hurst vibes.” The phase two artworks are visually stunning, showcasing Hurst’s history, iconic landmarks such as Bell Helicopter and L.D. Bell High School, elements of youth within our educational institutions, and more.

You can find more information on the artists and the stories behind their artwork on our website. The platform offers a map of the transformed utility boxes and photos of each artist posing with their work.

The Utility Box Art Project is a testament to Hurst’s dedication to fostering a vibrant and culturally rich community. We’re thrilled to showcase artistic expressions that not only beautify the City but also serve as a source of inspiration, encouraging residents to reflect on their City’s past while embracing the limitless possibilities of its future. Hurst, once again, proves that art has the power to unite, inspire, and build a stronger sense of community.

Stay tuned for more Art in Public Places projects in the near future!

Household Hazardous Waste Collection and Document Shredding

April 13

Hurst Service Center | 2001 Precinct Line Rd. | 8 - 11 a.m.

Let us help you with your spring cleaning by bringing your household hazardous waste to the Service Center along with an ID and Hurst water bill.

Accepted items: Automotive fluids, batteries, cleaners & degreasers, cooking oil, lawn/garden/pool chemicals, light bulbs, and paint. There is a limit on paint of three five-gallon containers.

Items not accepted: Ammunition or explosives, appliances or electronics, building materials, bulk trash and yard waste, butane or propane cylinders, medicines or sharps, and tires.

Document shredding will be available. Three (3) box limit, no larger than 15”x12”x10” accepted. Limited space. First come, first served. 6 Stones will be on-site accepting clothing donations from Hurst residents.

Concern for proper disposal of household hazardous waste and other potential surface water pollutants is a concern to all. Should you become aware of any improper disposal of any stormwater or surface water pollutant, call the City’s hotline at 817-788-7212.

Information on stormwater management can be found at hursttx.gov/stormwatermanagement.

Fight the Bite

Mosquito control management

Controlling mosquito populations and reducing the risk for West Nile virus, Zika virus, and Chikungunya viruses must be done on several fronts – education and prevention are at the forefront of those efforts.

Simple steps to eliminate potential mosquito breeding sites around your home.

- Do not allow water to accumulate in the saucers of flowerpots, cemetery urns, or in pet dishes for more than two days.
- Get rid of tin cans, old tires, buckets, unused plastic swimming pools, or other containers that collect and hold water.
- Clean debris from rain gutters, remove standing water from flat roofs, and repair leaks around faucets and air conditioners.
- Change the water in birdbaths and wading pools at least once a week.

- Fill or drain puddles, ditches and swampy areas.
- Check for trapped water in plastic or canvas tarps used to cover boats or pools, and arrange the tarp to drain the water.

How to reduce risk of getting West Nile Virus.

- Apply insect repellent that contains DEET, picaridin, or oil of lemon eucalyptus.
- Dress in long sleeves and long pants when outside.
- Stay indoors at dusk and dawn, when mosquitoes are most active.
- Drain standing water where mosquitoes breed; old tires, flowerpots, and clogged rain gutters.

Visit [hursttx.gov/fightthebite](https://www.hursttx.gov/fightthebite)
for more information about mosquito control
and management

PARKS & RECREATION

UPCOMING EVENTS

@HurstParksandRecreation
hursttx.gov/recreation

Sensory-Friendly Egg Hunt

When

5:30 p.m. | Friday, March 22

Where

Hurst Central Park | 700 Block of Mary Drive
(across from the Tennis and Pickleball Center)

This FREE sensory-friendly event is for children under the age of 16 and their families. The event begins at 5:30 p.m. and includes a petting zoo, tattoo booth, crafts, snow-cones, photos with Mr. Bunny, and egg hunts, including an area for those with mobility restrictions.

Egg hunts are offered for ages 0-5, 6 & up, as well as a mobility hunt for all ages.

The first hunt begins at 6:45 p.m. We will stagger times for each age group.

Please, no pets or glass containers during the event.

Eggstravaganza

When

5:00 p.m. | Tuesday, March 19

Where

Hurst Community Park | 601 Precinct Line Rd.

Activities begin at 5:00 p.m. Enjoy a FREE petting zoo, photos with Mr. Bunny, tattoo booth, crafts, pony rides, and egg hunts! Food is available for purchase from one of our amazing vendors.

Egg hunts are available for ages 0-2, 3-5, 6-8, and 9-12.

The first hunt begins at 6:30 p.m. We will stagger times for each age group.

Please, no pets or glass containers during the event.

Doggone Egg Hunt

When

8:30 a.m. | Saturday, March 23

Where

Hurst Dog Park | 900 TCC Rd.

Em-BARK on a delightful canine adventure at the Dog Park with your furry companion! Join us for memorable moments with Mr. Bunny, indulge in treats, snag some giveaways, and partake in the exciting egg hunt. It's a tail-wagging good time for all!

We will have two hunts, one for large dogs and one for small dogs. Dog size is determined by the Dog Park rules. All dogs must be on a leash during the hunt and in the event area. The designated Dog Park pens will be open for un-leashed "free play time" during the event.

The small dog egg hunt begins at 9:15 a.m. The large dog egg hunt begins at 9:30 a.m.

Pups & Pints

When

3:00-7:00 p.m. | April 6

Where

Hurst Dog Park | 900 TCC Rd.

Get ready for a tail-wagging good time at Pups and Pints – the ultimate community event for dog lovers! With FREE entry, there's no excuse to miss the fun!

Bring the whole family along because we've got an amazing kid's area packed with yard games and activities that everyone can enjoy together. Plus, with delicious food trucks serving tasty treats and refreshing alcoholic beverages from Turning Point Beer available for purchase, your taste buds are in for a treat!

Let's not forget about our VIP guests – the dogs! Spoil your furry friend with treats, activities, and awesome giveaways specially curated for them. Our fenced-in dog park area provides the perfect space for your pups to romp and play to their hearts' content, surrounded by new furry friends and plenty of space to run wild. Don't miss out on this paw-some event!

hursttx.gov/migratorybirds

MIGRATORY BIRDS

Homeowners encouraged to prevent birds from nesting on their property

Did you know that over 1,000 species of birds, including herons and egrets, are federally protected by the Migratory Bird Treaty Act of 1918? This law prohibits the harming of birds, along with their nests and eggs. This law also includes the protection of nuisance rookeries, once established. A rookery occurs when a large number of herons or egrets nest together in a concentrated area (US Fish & Wildlife). Many consider rookeries a nuisance due to the noise, odor, and significant amounts of excrement covering the area below the trees.

The best way to deter nesting birds is to thin tree canopies by 25%-30%. The thinning of tree canopies exposes the birds and their nests to the elements and predators. Homeowners should contact a professional tree care company for assistance. Residents can watch for the early arriving birds, such as the yellow-crowned night herons, and begin utilizing approved scare tactics

to discourage birds from nesting in trees. Noisemakers and high-pressure water nozzles aimed at the trees make for an uncomfortable environment for the birds. Scare-eye balloons or other shiny, moving objects may also deter the birds from nesting.

Once nesting birds produce eggs, all scare tactics must cease. As these birds are federally protected, it is illegal to kill, harass, move, or otherwise disturb the birds when they are actively nesting. However, routine property maintenance can continue. As rookery season can last for several months, we encourage all residents to be vigilant in preventing nesting birds on their property.

Visit hursttx.gov/migratorybirds for more information and a bird sighting form

Make a splash! Earn some cash!

Hurst Aquatics is now hiring seasonal aquatics positions! Explore exciting job opportunities this summer as a Lifeguard, Swim Lesson Instructor, Aquatics Facility Attendant, Pool Cashier, and more!
