OUR COMMUNITY

Household Hazardous Waste Collection and Document Shredding

October 12
Hurst Service Center
2001 Precinct Line Road | 8-11 a.m.

It's important to properly dispose of hazardous waste to protect the environment and ensure our community's safety. On October 12, you can bring your hazardous waste for collection. Please bring an ID and a Hurst water bill.

Accepted items: automotive fluids (10-gallon limit), batteries, cleaners & degreasers, cooking oil, lawn/garden/pool chemicals, light bulbs, and paint (limited to three five-gallon containers).

Items not accepted: ammunition or explosives, appliances or electronics, building materials, bulk trash and yard waste, butane or propane cylinders, medicines or sharps, and tires.

Document shredding will also be available as a way to help our community members prevent identity theft and protect personal information. Three (3) box limit, no larger than 15" x 12" x 10", accepted—limited space. First come, first served.

6Stones will be on-site collecting clothing donations from Hurst residents.

Proper disposal of Household Hazardous Waste and other potential surface water pollutants is a concern to all. Should you become aware of any improper disposal of any stormwater or surface water pollutant, call the City's hotline at 817-788-7212.

Visit hursttx.gov/stormwatermanagement for more information.

Extra Bulk Collection Days

We have coordinated with Republic Services to offer additional bulk collection days on October 5 (for those with Monday & Thursday garbage service) and October 12 (for those with Tuesday & Friday garbage service).

You can leave your bulky or green waste items at your curb, just make sure that loose items are bundled or containerized. **Place your items for pickup by 7 a.m.**

Accepted items: Any non-hazardous bulk items such as scrap metal, containerized brush, old fencing material or other debris (no commercial), electronic equipment including computers, TVs, DVD players, and cell phones

Items not accepted: Tires & explosives, construction materials such as shingles and sheet rock, no more than six (6) fence panels will be accepted unless a fence permit is shown for the address, compressed gas, pharmaceuticals or sharps

Hurst 101 Citizen Academy 2024 graduates

Hurst 101

The Hurst 101 Citizens Academy is a fun and enlightening opportunity for Hurst residents and business owners to become more engaged and active members of the community. Through our dynamic program, participants learn about city departments, the budget process, emergency services, and other city operations and government processes. The class meets on Thursday evenings throughout the spring with presentations from various city staff members, tours of facilities, and one-on-one interaction with city council members. For more information or to apply for the 2025 program, please visit hursttx.gov/hurst101. Applicants will be selected this fall.

Visit hursttx.gov/hurst101
for more information.

Youth in Government 2024 graduating class with council members from Hurst, Euless, and Bedford

YOUTH IN GOVERNMENT

The HEB Youth in Government program offers an engaging and educational experience for high school juniors and seniors interested in learning about local government. This program is a partnership between the HEB Chamber of Commerce, the Cities of Hurst, Euless, Bedford, and Republic Services. Students will meet from January to April and hear from various city departments and local officials.

This is a unique opportunity for students to gain insight into the responsibilities and challenges of public service. Students will also be able to qualify for a college scholarship provided by Republic Services! We will begin accepting applications for the 2025 program this fall.

**For more details and to easily apply online,

Rickel Park receives new playground

Get ready to swing, slide, and play to your heart's content at Rickel Park's new playground. The Rickel Park playground replacement was based on the success and popularity of the new playgrounds that were installed at Echo Hills Park, Jaycee-Baker Park, and Smith Barfield Park. The total project cost was funded by your Half Cent Sales Tax Fund and the Park Donation Fund. In addition to the playground, the project covered other upgrades such as the new benches, water fountain, rule signs, and more. Our team is grateful for all of the individuals that made this development possible.

There are many new features of the playground including:

- Shaded swings
- Zip Slides
- Assorted Climbers
- Tot play

All of these features make Rickel Park the year-round place to go for area residents! See you at Rickel Park this fall!

Hurst receives upgraded bond ratings

Why are bond ratings important and why do we use bond debt?

Bond ratings reflect the municipal government's ability to manage finances. A strong bond rating boosts investors' confidence, resulting in lower borrowing costs for taxpayers.

We use bond debt when needed to fund public infrastructure, facilities, or capital investments that will service the City for several years. Like buying a house, major capital improvement projects, such as street improvements, have a long, useful life, which justifies the spread of their cost over many years to be funded by current and future citizens and businesses who use them.

There are two primary rating organizations, Moody's and Standard and Poors (S&P) that review the creditworthiness of municipal governments. Moody's maintained our current rating of Aa2, and S&P increased it to AA+. In their report, S&P outlines their decision-making as follows:

- Very strong management, with well-embedded policies and practices
- Solid financial performance, with stable and very strong reserves
- Manageable debt profile, with additional debt plans

How this helps you!

When the City of Hurst prepares to issue debt, the rating agencies evaluate the City's credit rating to assign a bond rating to the proposed bond issue as well as all outstanding bonds of the City. As mentioned above, a strong bond rating means that the bonds will be financed at more competitive interest rates based upon municipal bond market conditions at the time they are issued.

In response to the great financial news, Assistant City Manager, Clayton Fulton, states "This is great news and reflects the City's history of strong leadership and ongoing commitment to sound financial management."

Healthy Hurst Wellness Program

Healthy Hurst is a comprehensive community wellness initiative offered by the City of Hurst. Here is the core of Healthy Hurst.

Community Wellness Initiative: Healthy Hurst is a citywide initiative aimed at promoting health, wellness, and fitness among the residents and employees of Hurst, Texas.

Holistic Approach: The initiative focuses on not just physical health but also mental and social well-being. This reflects an understanding that overall wellness involves multiple aspects of life.

Accessible Resources: The Healthy Hurst website is a central hub for information, offering resources like healthy

recipes and other materials for healthy living.

Diverse Activities: Healthy Hurst offers a variety of activities to engage in, whether it's visiting parks, working out at the Hurst Recreation Center, or attending city events. These activities are considered part of the initiative.

Challenges: The program motivates participants through fun challenges, including employee challenges. These challenges likely encourage physical activity and other health-promoting behaviors.

Fire Prevention Week

October 6-12

October 6-12 is Fire Prevention Week this year, and we want to share the importance of properly functioning smoke alarms. Working smoke alarms give you early warning so you can get outside quickly and safely. Here are some key smoke alarm safety tips and guidelines so your family can stay safe.

INSTALL smoke alarms in every bedroom, outside each separate sleeping area, like a hallway, and on each level, including the basement, of the home. For the best protection, interconnect all smoke alarms. When one sounds, they all sound. It is important to have interconnected smoke alarms if you sleep with the bedroom doors closed.

TEST smoke alarms at least once a month by pushing the test button. Maintaining functioning smoke alarms will enhance your family's safety and can even prevent fires from occurring from the start. Ensure that batteries are replaced regularly and your family knows what sound it makes when danger is detected.

REPLACE all smoke alarms when they are 10 years old or stop responding when tested. Make sure smoke alarms meet the needs of all family members, including those with sensory or physical disabilities.

October is a great time to refresh on fire safety with your family! These are real-life emergencies that can happen anywhere, at any time.

Visit nfpa.org/fpw

for more information on Fire Prevention Week.

Police Chief Steven Niekamp at National Night Out.

NATIONAL NIGHT OUT

Together, we are making communities safer,
more caring places to live and work.

Tuesday, October 1 | 4-10 p.m.

Hurst communities are invited to participate in this year's National Night Out event! Neighborhoods around the city can participate by hosting block parties or cookouts to promote police-community and neighborhood camaraderie. If you plan to host a neighborhood gathering, be sure to register by visiting hursttx.gov/NNO.

Registration is free, and it gives the police department, fire department, and other city representatives an opportunity to attend your community's gathering. We look forward to connecting with you again during National Night Out this year!

City wins five state awards for Communications

The City of Hurst Marketing and Communication Division was recently awarded 5 state awards through the Texas Association of Municipal Information Officers (TAMIO) and presented them during a city council meeting. The TAMIO Awards is the leading recognition program in Texas, honoring excellence for municipal communication strategies. TAMIO includes communication professionals representing municipal, county, and other related agencies and organizations.

First Place for Best Small Shop. This award recognizes the best communication department in Texas operating with two or fewer team members.

First Place for Best Marketing Plan/Campaign. This award recognizes our water utilities recruitment campaign, which contributed to filling the 11 vacant positions in our Water Utilities Division from July 2023 to October 2023.

Second Place for Best Strategic Plan. This award recognizes the division's Strategic Communication Plan, developed following a recent communication audit, and the goals accomplished so far within the plan.

Second Place for Internal Communication. This award recognizes the Hurst Way Advocacy Team roadshow, which helped recruit volunteers and promote the Hurst Way culture, employee recognition, and leadership development opportunities.

Third Place for Best Social Media Campaign (Planned). This award recognizes the Parks and Recreation's social media campaign that helped recruit more aquatics staff for the 2024 aquatics season.

Congrats to all involved in earning this amazing recognition for the City of Hurst!

Hurst Ambulance Subscription

The City of Hurst is offering residents an ambulance subscription service to help offset the costs of emergency ambulance transportation. Insurance companies routinely do not pay the entire amount of ambulance transportation, leaving the patient responsible for paying the bill's balance. The purpose of the subscription service is to cover the amount not covered by your insurance provider or Medicare. If a person does not have health care insurance, this program covers emergency medical services delivered prior to hospital arrival. In the past, an average ambulance transport would run anywhere from

\$800 - \$1200 a transport. Due to increasing medical costs, an average transport is now starting around \$1400 or greater. This is why for the 2025 ambulance subscription year, the cost will increase from \$60 per household to \$75 per household. We are continuing to strive to offer the most affordable prices for our citizens, while continuing with an excellence in patient care. Medicaid recipients are not eligible for this program. Ambulance Subscription Service enrollment will open on October 1, 2024, ending December 31, 2024.

Search Ambulance Subscription at [hursttx.gov](https://www.hursttx.gov)
for more details.

Why Tree Trimming Matters

Ensuring safe streets and sidewalks in Hurst

Have you ever noticed how low-hanging tree branches over streets and sidewalks can pose serious issues? It's crucial that our urban roads maintain clearances, free from obstructive limbs, to facilitate the smooth passage of school buses, construction trucks, RVs, and emergency vehicles. This is essential for the efficient operation of Hurst's streets.

Clear sidewalks are equally important, allowing emergency responders to navigate swiftly, ensuring safe passage for pedestrians, and enhancing overall community safety. Regular tree trimming plays a vital role in achieving these goals.

The best time of year for trimming is typically during cooler months, between winter and spring, minimizing the risk of infection for the trees. Our Code of Ordinances requires trimming tree branches to a height of 14 feet above street level and ensuring a clearance of 7 feet above sidewalks. This ensures visibility of street signs, maintains traffic control devices, and prevents potential hazards.

By prioritizing regular and careful tree maintenance, Hurst promotes safety and accessibility for all residents and visitors to our city.

Cease the Grease

November 18-January 6

Hurst Service Center | 2001 Precinct Line Rd.

This holiday season, we're making it easier than ever to Cease the Grease! The City of Hurst encourages residents to collect and recycle or safely dispose of all used fats, oils and grease. When these items are washed down the drain, it sticks inside pipes. This hardening eventually leads to build up that clogs and damages the sanitary sewer system. This can lead to a sanitary sewer overflow, where raw sewage backs up into your home, lawn, neighborhood, and streets. Not only does

this cause health issues, it can also runoff into a nearby creek or stream, affecting our drinking water.

In an effort to help our residents and our city, during the holiday time you can recycle your grease for FREE at our drop-off location at the north end of the Service Center parking lot at the corner of Cannon Drive and Precinct Line Road from November 18, 2024 - January 6, 2025.
